The screenshot shows the 'Quizende' (Quiz End) screen of the Fubuiizz app. At the top, there's a yellow banner with the text 'Effzeh - mer wesse alles üvver dich'. Below this, the 'Dein Ergebnis' (Your Result) section shows a score of 600 out of 1000 points, represented by a yellow progress bar. It also indicates '6 von 10 Antworten richtig' (6 out of 10 answers correct) with 6 green and 4 red dots. A link 'Ich will mehr zu diesem Thema wissen' (I want to know more about this topic) is present. The 'Neue Position' (New Position) section shows a leaderboard with 11 entries. The user 'Luuuuccaaas' is in 7th place with 979 points. Below the leaderboard is a photo of a football stadium. A text block explains that the FC quiz is bad and encourages users to answer questions while sleeping. At the bottom, there are three red buttons: 'Erneut spielen!' (Play again!), 'Highscoreliste' (High score list), and 'Übersicht' (Overview).
